

Kenyan Trip

Donate

A team of young people from a Southampton school, Upper Shirley High School, will be taking an inspirational trip to Kenya later this year Oct 2011.

They will be working with two self-funded Kenyan schools who educate and feed **hundreds** of children on a daily basis.

This is not a "School Trip" this is something the young Southampton people will be working for.

Many of the Kenyan children are still confined to life on the street, refuse-tip scavenging or in under-age employment.

If they are not in school, many of them are on the tips.

All donations gratefully received and will help to fund the Southampton young people's trip, to buy goods, games, clothing and equipment for the Kenyan children.

One young USH person has proudly raised over £600 already.

Secure Donations can be made via Paypal:

This will be quite a life-changing and rewarding experience for our Southampton group who will provide sports and educational coaching for the Kenyan children aged 4-12.

They need your help.

Can you donate outgrown but good condition football strip?

Could you fund a logo'd football strip for a team?

We hope to help our young team with a small effort in providing sports equipment, games, toys and sports clothing.

We don't want a truck full of old broken boxes of games. Just a small amount of good condition, fun, easy games for young Kenyan children aged 4-12yrs.

We seek **sponsorship, equipment, games, toys and clothing** from businesses and well wishing supporters across Southampton.

The support can be brand-new or good-quality-second-hand.

Do you know a company who would sponsor a team strip?

Send it all our way. It WILL go to a really good home.

It all needs to fit into suitcases carried by young people so must be packable and portable.

Anything unused will be donated to local charity.

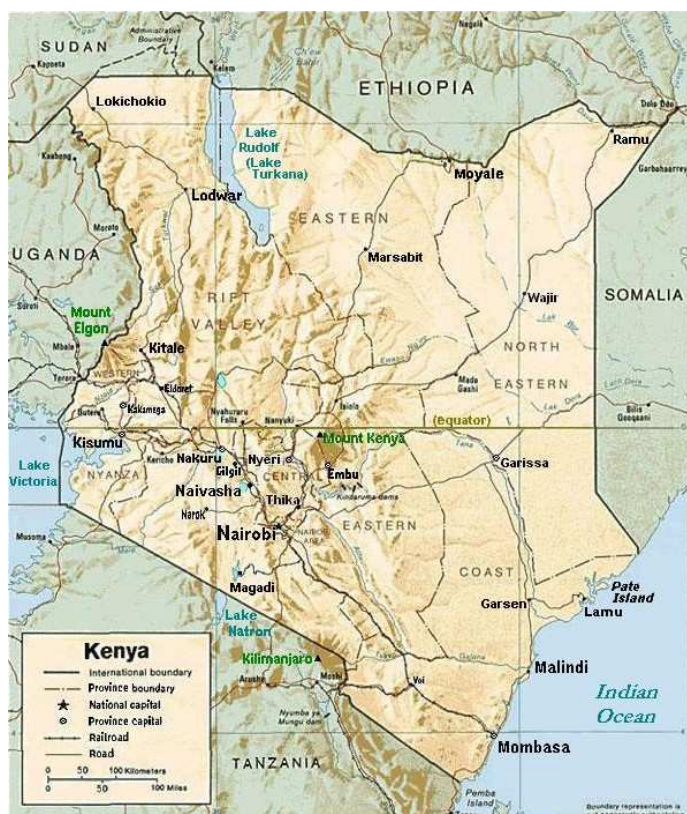

KenyanTrip – c/o 24 Lumsden Ave, Southampton.

Cheques to "C.Vibert" at above address and please
mark envelope "KenyanTrip".

Questions to KenyanAdventure@Vibert.co.uk

Who am I sending donations to?

I am Cevn Vibert, a Community Association founder who is well known by Southampton City Council and surrounding schools, colleges, community groups, councillors, MPs, etc.

You are very welcome to check with any of them first.

I am heading up this request for a group of young Southampton people.

Best regards and I hope you can do a little bit to help the children of Kenya.

Please pass this on to others who wish to help.

This special trip is organised by

Southampton's Upper Shirley High School
<http://www.uppershirleyhigh.org/>

and Southampton's Kenyan Adventure
<http://www.kenyanadventure.com/>

and the trip is approved by Southampton City Council.
